

WORKSHOP : Foam muppet surfaced with shaded fabric

For every people used to practice manual activities. This session includes some little needle stitching steps.

Objective :

Providing participants with essential techniques for the building of a low weight and heavy duty jointed character.

Learning content :

This workshop specially insists on technical building of this structured half body muppet with high quality finish (movable fingers, making of eyes, teeth, nails, emphasizing by shaded painting, manipulation rods for hands). Synthetic fur can be used for hair but not for complete body

Trainer : Nadine Delannoy- plastic artist, puppet builder, creator of the « Âmes Imaginaires”

Number of participants : maximum 3

(a minimum of 2 registered persons is requested for confirming the workshop session)

Date: June 2026, 15th to 24th included

Duration : 10 days (equivalent 56 h on 8 effective workshop days – 2 resting days : June 20th and 21st)

Teaching hours : 9 h 30 - 13 h00 / 14 h00 – 17 h30

Teaching language : French, English and Spanish (if requested)

Place : in the location of my personal workshop in Thiais, near suburbs of Paris. I pick you up and back with my car at the station « gare de choisy le roi » on RER line C. That is only 10 mn by car from this point of Paris Transportation network to my workshop)

42 sentier du Martray
94320 THIAIS (France)

Programme :

- Building of the head around the mobility of the mouth with volume research based on esthetic and funny character criterias,
- Possibility of access to mouth motion either through the body or the backside of neck
- Covering (needle stitching and gluing) with polar fabric (short hair) or other knitted material;
- Preparing of hands and arm joints
- Building of the body with search for harmonious head jointing (optimum flexibility granted to the neck for head motion)
- Building of eyes and particular attention to the expressiveness of looking
- Addition of teeth and nails (modeled with polymer clay or bought pieces)
- Fixing of carbon fiber rods.

Workshop fees : 740€(*)

It corresponds to the teaching charges and includes the necessary materials for the building of a biped character size 60 à 90 cm (type of your choice).

It does not include the midday meal (we provide you access to fridge and microwave oven)

International payment by bank transfer (see IBAN details on registration formular)

(*) VAT will not apply on above price (as per item 293 B of French tax general code).

Tools :

the necessary materials and tools will be provided to you for this building.

Should you have special color requirements for the covering fabric of your muppet, you can bring your own short hair polar fabric (2 pieces 80 cm x 130 cm of harmonious or contrasted colors) with corresponding polyester thread color.

Inscription process :

Session access being limited to 3 persons, your registration will be considered as a firm booking. It consists in returning us filled attached formular together with taking the necessary steps for international bank transfer of 240 € to our bank account (seen IBAN details on attached formular).

Cancellation :

In case of cancellation from your side, the 240 € amount will be kept.

In case we cannot maintain the workshop session (less than 2 persons registered 15 days before the starting day of session) we immediately proceed to bank refund .
